Ajax, Ontario L1T 3T7 | WillChomrak.com | [wchomrak@gmail.com](mailto:wchomrak@gmail.com)

A self-motivated, target-driven professional with career ambitions in web and technology development. Demonstrating passion, drive, and fast-paced learning capabilities through current and past web development pursuits. Currently implementing the decision to transition away from the account and my Honours field to pursue development full time.

- Developed fundamental UI and web design skills building over 20 WordPress, Joomla, Squarespace, and Shopify websites for businesses across Canada in 2013/2014.
- Developed **JavaScript** and **Python 3** skills building personal projects such as JavaScript API apps and Python web scrapers.
- Experience with industry tools such as Webpack, Babel, Git, and GitHub.
- Have designed multiple websites with HTML5 and CSS3.
- Have developed multiple websites using technologies such as ES5, ES6, asynchronous JavaScript, PHP, Python 3, and others.
- Exceptionally hard working and motivated as demonstrated by leaving the accounting field in 2019 to focus full time on improving my web development skills for employment.
- Display excellence in customer management developed through entrepreneurial pursuits; able to analyze trends and coordinate innovative solutions accordingly.
- Highly analytical, with sound judgment, and the capacity to enact rational and timely decision-making, problem-solving, and prioritization.
- Proven ability to perform simultaneous tasks in a cross-functional setting. With a high degree of focus, and a results-oriented work ethic in supporting complex, deadline-driven operations.

## SUCCESSSES

- 2013/2014: Succeeded in acquiring and maintaining large web-development jobs, delivering consistently high-quality results for each client, including a large-scale international engineering firm.
- Coordinated and managed a team of 20 volunteers in hosting a successful event which profited over \$2000.00 and had 100+ people in attendance.
- Actively participated in the recruitment and interviewing of qualified student candidates for the Canada Revenue Agency as the CRA Student Ambassador.
- Created a self-sustaining and student-run council that continues to operate at a 1,300-tenant student residence.
